## 2009 BigEXPO Highlights

Purchase a booth for as little as \$315 (\$170 for small introductory business tables).

Research has shown you are likely to generate 20 to 30 solid leads and display your product or services to more than 300 qualified prospects each hour.

The Big EXPO is the one event that will provide you:

- The most number of business-to business contacts under one roof in a short period of time, and for the most reasonable cost
- Attendees receptive to buying and seeking new ideas
- A great environment to showcase your products and services
- Mouthwatering sampling of the area's finest restaurants

**Business-to-Business** The successful business networking opportunity at the BigEXPO will be expanded in 2009 to include more participants from the area's largest organizations. This provides our exhibitors the opportunity to meet representatives from local government and such industry leaders as Yokogawa, Cargill, Georgia Power, Coweta-Fayette EMC, Delta Community Credit Union, and others.

## Booth Rental Registration - Deadline: September 30, 2009

**Think Coweta First!**
